

## *My Body, My Voice* Factsheet

*My Body, My Voice* was developed as a collaboration between Mabel Wadsworth Women's Health Center and Spruce Run. The stories in *My Body, My Voice* were adapted from stories from the two agencies and from various websites. In the case of local stories, names and identifying details have been changed to protect anonymity. If you'd like to learn more about the information or the stories presented in the reader's theater, please check out these websites:
